CHARTER
OF THE
CITY OF SAN JOSE

ARTICLE I
INCORPORATION AND SUCCESSION

SECTION 100. NAME.

The City of San Jose, in the County of Santa Clara, State of California, shall continue to be a municipal corporation under its present name of "City of San Jose."

SECTION 101. BOUNDARIES.

The boundaries of the City of San Jose shall continue as now established until changed in the manner authorized by law.

SECTION 102. SUCCESSION, RIGHTS, POWERS AND LIABILITIES.

The City of San Jose shall remain vested with and shall continue to own, have, possess, control and enjoy all property, rights of property and rights of action of every nature and description (including but not limited to all pueblo lands and pueblo rights) owned, had, possessed, controlled or enjoyed by it at the time this Charter takes effect, and is hereby declared to be the successor of the same. It shall be subject to all debts, obligations and liabilities which exist against the municipality at the time this Charter takes effect.

ARTICLE II
POWERS OF THE CITY

SECTION 200. GENERAL POWERS.

The City of San Jose shall have the power to make and enforce all laws and regulations in respect to municipal affairs, subject only to such restrictions and limitations as may be provided in this Charter and in the Constitution of the State of California. The City shall also have all other rights, powers and privileges which are not prohibited by, or in conflict with, the State Constitution or the Charter and which it would be proper to specifically set forth in this Charter even though such are not herein set forth. It shall also have the power to exercise any and all rights, powers and privileges heretofore or hereafter established, granted or prescribed by any law of the State, by this

Charter or by other lawful authority, or which a municipal corporation might or could exercise under the Constitution and laws of the State of California.

The enumeration or specification in this Charter of any particular power shall not be held to be exclusive of or any limitation upon the generality of the foregoing provisions.

SECTION 201. SPECIAL POWERS.

The City shall have the following special power: To acquire any property outside the City limits by eminent domain, or otherwise, for municipal purposes.

SECTION 202. PROCEDURES.

The City shall have the power to act and may act pursuant to any procedure established by any law of the State, unless a different procedure is established by this Charter or by ordinance.

SECTION 203. CONTINUITY OF GOVERNMENT IN EVENT OF DISASTER.

In order to provide for continuity of City government during any emergency resulting from war, enemy-caused calamity or other disasters of whatever nature, and in order to otherwise handle any such emergency, the Council is hereby empowered, anything elsewhere in this Charter to the contrary notwithstanding, to:

(a) Provide for the appointment or designation of persons to exercise the powers and discharge the duties of any City offices, whether elective or appointive, during any such emergency, in the event the regularly elected or appointed incumbents of said offices are killed, missing, disabled or for some other cause unable or unavailable to perform the functions and duties of their respective offices, until said incumbent officers perform or resume performance of their functions and duties or until, where an actual vacancy exists, a successor is elected or appointed, pursuant to other provisions of this Charter, to fill such vacancy;

(b) Provide for the preservation of essential records needed to protect the rights of individuals and to conduct emergency operations;

(c) Provide for the establishment of emergency locations for City government so that the City could continue to operate;

(d) Provide for the formulation of plans to use all personnel, facilities and equipment of government for emergency actions;

(e) Do such other things as may be authorized by the laws of the State of California for such purposes.

ARTICLE III FORM OF GOVERNMENT

SECTION 300. FORM OF GOVERNMENT.

The municipal government established by this Charter shall be known as the "Council-Manager" form of government.

ARTICLE IV THE COUNCIL

SECTION 400. POWERS VESTED IN COUNCIL.

All powers of the City and the determination of all matters of policy shall be vested in the Council, subject to the provisions of this Charter and the Constitution of the State of California.

SECTION 401. COMPOSITION OF COUNCIL.

The Council shall consist of seven (7) members until December 31, 1980 and eleven (11) members on and after January 1, 1981, one of whom shall be the Mayor, each of whom shall have the right to vote on all matters coming before the Council. Until such time as the Council consists of eleven (11) members, the provisions of this Section and of Sections 403, 404, 410, and 1603, as these Sections read immediately prior to the effective date of this Section, shall continue to apply to the offices of the seven-member Council. Except as otherwise provided elsewhere in this Charter and excepting the Mayor who shall be elected at general municipal elections from the City at large, each member of the Council shall be elected, as hereinafter provided, at general municipal elections by one of ten (10) Districts designated by number within the City. The term "by Districts" as used in this Article IV shall mean the signing of nomination papers and the election of eligible persons, as defined in Section 404, to the offices of members of the Council by the voters of each District alone.

The office of each member of the Council, including the office of the member who is to be Mayor, is and shall be deemed to be a separate office to be separately filled. The person receiving the majority of the votes cast for each designated office shall be declared elected; and, except as may be otherwise provided elsewhere in this Charter, no person shall be deemed or declared elected to any such designated office unless the person receives a majority of the votes cast for such office.

The effective date of this Section shall be deemed to mean the date this Section as it now reads becomes effective.

Amended at election November 7, 1978

SECTION 402. TERMS OF OFFICE.

The terms of all members of the Council holding office, or elected to terms commencing, on January 1, 1979, excepting the Mayor, shall expire on December 31, 1980, notwithstanding any other provision of this Charter. Ten (10) members of the Council, excepting the Mayor, shall be elected by Districts at the general municipal election held in 1980.

If, for any reason, the operation of this Section and of any other Section(s) of this Charter amended together with this Section should be delayed, so that ten (10) Council members are not elected by Districts at the general municipal election held in 1980, then in that event the election of ten (10) Council members by Districts shall commence with the general municipal election to be held in 1982, and all provisions of this Charter as so amended regarding the Council, its members, the terms of office and election of members, excepting the Mayor, or the vote of Council members shall apply as modified only with regard to calendar dates and consistently with the holding of such election in 1982.

Except as provided herein below, the regular term of office of each member of the Council shall be four (4) years. At the first regular meeting of the City Council in January, 1981, the Council shall determine by lot whether the members elected at the general municipal election held in 1980 by the odd-numbered Districts or those elected by the even-numbered Districts shall hold office for a term of two (2) years ending on December 31, 1982; and at the general municipal election held in 1982, members shall be elected for a regular term of four (4) years by those Districts whose members' terms expire on December 31, 1982. Thereafter, mem-

bers representing both the odd-numbered and even-numbered Districts shall be elected at general municipal elections held in each fourth (4th) year succeeding the year in which members were last elected by such Districts for a regular term of four (4) years. Each member's term shall commence on the first day of January next following, and end on the last day of December in the fourth calendar year succeeding, the date of the member's election.

Subject to other provisions of this Charter, the Mayor, whose term of office as Mayor and member of the Council would expire on December 31, 1982 under the Charter as it existed immediately prior to the effective date of this Section, shall continue to hold office as Mayor and member of the Council until such date. At the general municipal election to be held in the year 1982, and at the general municipal election held in each fourth year succeeding 1982, a person shall be elected to fill the seat of said Mayor for a term of four (4) years, commencing on the first day of January next following, and ending on the last day of December in the fourth calendar year succeeding the date of such person's election.

The effective date of this Section shall be deemed to mean the date this Section as it now reads becomes effective.

Amended at election June 2, 1970

Amended at election November 7, 1978

SECTION 403. ELECTIONS BY DISTRICTS.

For the purpose of electing members of the Council, excepting the Mayor, the City shall be divided into ten (10) numbered Districts as nearly equal in population as practicable. The boundaries of the ten Districts shall be established initially by reference to that certain map of the City of San Jose, entitled "Election Districts of the City of San Jose", filed and displayed in the office of the City Clerk, and drafted according to data contained in the official census of the City as taken in 1975 and certified by the City Clerk. Thereafter the boundaries of such Districts shall be subject to alteration and change under the provisions of this Section.

Following the taking of each federal decennial census, commencing with the 1980 federal decennial census, but no earlier than three (3) months and no later than six (6) months following receipt by the City Clerk of a written publication

containing an enumeration of population by blocks derived from such census, the Council shall by ordinance redistrict the City into ten (10) numbered Districts. Such ordinance shall be adopted according to the provisions of Article VI, Section 604 and shall become effective at the expiration of thirty (30) days after adoption of the ordinance; provided, however, that if such ordinance becomes effective on or after the first day on which nomination papers may be filed for an election to the office of member of the Council, excepting the Mayor, then such ordinance shall not apply, or be deemed to apply, to that election or to the person elected to the office of member at such election.

Within thirty (30) days following receipt by the City Clerk of said written publication containing an enumeration of population by blocks derived from such census, the Council shall appoint an advisory commission whose purpose shall be to study and make appropriate recommendations with respect to such redistricting. Said advisory commission shall consist of one (1) member from each District, who shall be appointed by the Council member from that District, and a Chairperson chosen from the City at large, who shall be appointed by the Mayor. Within sixty (60) days following its appointment, said advisory commission shall make its report and recommendations to the Council, which shall duly consider said report and recommendations in adopting any redistricting ordinance; provided, however, that if the commission fails to submit its report and recommendations to the Council within said period, the Council shall adopt the ordinance nonetheless within the period of time required under this section.

Except as provided hereinabove, such Districts shall be used for all elections of members of the Council, including their recall, and for filling any vacancy in the office of member of the Council, subsequent to the effective date of such ordinance and until new Districts are established. Districts so formed shall be as nearly equal in population as practicable according to such federal decennial census. Any territory heretofore or hereafter annexed to or consolidated with the City but not included within a District shall, prior to or concurrently with completion of the proceedings therefor, be added to an adjacent District or Districts by the Council by ordinance, which shall become effective at the expiration of thirty (30) days after adoption and shall apply to all elections held on and after its effective date.

Any ordinance adopted by the Council and establishing, changing, or altering the boundaries of any District shall

describe the new boundaries by reference to a map on file in the office of the City Clerk and/or by a metes-and-bounds description.

In any redistricting, the Council shall make the Districts as nearly equal in population as may be practicable, and may, in establishing the boundaries of the Districts, give consideration to (a) natural boundaries, street lines and/or City boundaries; (b) geography; (c) cohesiveness, contiguity, integrity and compactness of territory; and (d) community of interests within each District.

Upon any redistricting pursuant to the provisions of this Charter, each incumbent member of the Council will continue, during the remainder of the member's term, to hold office and to represent the District by which the member was elected prior to such redistricting, notwithstanding any provision of Section 404 requiring a member to be a resident of the District represented by such members.

Amended at election June 2, 1970

Amended at election November 7, 1978

SECTION 404. ELIGIBILITY

A person shall not be eligible to take or hold office as a member of the Council, including the Mayor, unless the person satisfies all of the following conditions:

(a) The person must have been a citizen of the United States for at least one year immediately preceding the commencement of the four-year term or lesser period of time for which the person is elected or appointed, and must be a citizen of the United States during incumbency.

(b) The person must have been a resident of the City of San Jose and, excepting the Mayor, of the District represented by the person as member, for at least thirty (30) days immediately preceding the last day specified by law for the filing of nomination papers with the City Clerk for such office or, if appointed, preceding the date of the person's appointment to fill a vacancy, and must be a resident of the City of San Jose and of such District during incumbency.

(c) If elected to said office at a general municipal election, the person must have been a registered elector of the City of San Jose on the last day specified by law for the filing of nomination papers with the City Clerk for such

office, and must have continued being a registered elector of the City of San Jose without interruption from said day to and including the date of commencement of the four-year term or lesser period of time for which the person is elected.

(d) If appointed to such office, the person must have been a registered elector of the City of San Jose at the time of the person's appointment and thereafter to and including the date of commencement of the four-year term or lesser period of time for which the person is appointed.

A person shall not be eligible to be a candidate at any election for any above-mentioned office if the person would not be eligible under the above provisions of this Section to take office if elected.

Amended at election June 2, 1970

SECTION 405. JUDGE OF QUALIFICATIONS.

The Council shall be the judge of the election and qualification of its members, including the Mayor, and of any other elective officer, and of the grounds for forfeiture or loss of their respective offices, and for that purpose shall have the power to subpoena witnesses, administer oaths and require the production of evidence. A member, or the Mayor, or the holder of any other elective office, charged with conduct constituting grounds for forfeiture or loss of his office shall be given, if he so demands, an opportunity to be heard in his own defense at a public hearing after reasonable notice to such members.

SECTION 406. HOLDING OTHER OFFICE.

Except as authorized by this Charter, no member of the Council shall hold any other City office or City employment, other than Mayor, during the term for which he was elected to the Council; provided and excepting, however, that a member of the Council may become a member of any advisory, administrative or governing body of any special purpose district, entity, organization or committee when such is authorized by State law or where the offices are not incompatible.

SECTION 407. COMPENSATION.

Each member of the Council, including the Mayor, shall be paid as compensation for his services as a member of the Council, for each calendar month during which he is a member of the Council, a monthly salary which shall be established by ordinance adopted pursuant to and in accordance with the provisions hereinafter set forth in this Section. No salary shall be established for any member of the Council, including the Mayor, except as provided in this Section.

On or before July 30, 1981, and between March 1st and April 30th of every odd-numbered year thereafter, the Council Salary Setting Commission shall recommend to the Council the amount of monthly salary which it deems appropriate for the members of the Council, including the Mayor, for the two-year period commencing July 1 of that odd-numbered year. The amount recommended for each member of the Council shall be the same, except that the amount recommended for the Mayor may exceed that of the other members of the Council. No recommendation shall be made except upon the affirmative vote of three (3) members of the Commission. Failure of the Commission to make a recommendation in any year within the time prescribed shall be deemed to mean a recommendation that no change be made.

Each biennial recommendation, together with the reasons therefor, shall be made in writing. Before it submits any such recommendation to the Council, the Commission shall conduct at least one public hearing on the matter. When such a recommendation has been submitted to the Council, it shall not thereafter be amended by the Commission.

The Council shall, by ordinance, which shall be subject to the referendum provisions of this Charter, adopt the salaries as recommended by the Commission, or in some lesser amount, but in no event may it increase the amount. No more than one salary setting ordinance shall be adopted on the basis of any biennial recommendation, provided that the Council may, at any time, by ordinance, reduce the salaries of the members of the Council, including the Mayor. In any salary setting ordinance adopted hereunder, the salaries for each member of the Council shall be the same, except that the salary of the Mayor may exceed that of the other members of the Council. Salaries established by ordinance adopted pursuant to the provisions of this Section shall remain in effect until amended by a subsequent ordinance adopted pursuant to the provisions of this Section.

For each member of the Council, except the Mayor, a sum, as established by the Council Salary Setting Commission, shall be deducted from the salary of such member for each regular meeting of the Council, other than regular adjourned meetings, which he fails to attend in each such calendar month; provided, however, that such deduction shall not be made for his failure to attend any meeting during which he is away on authorized City business, or from which he is absent because of his own illness or the illness or death of his spouse, parent, child, brother or sister. No deduction shall be made from the Salary of the Mayor because of his failure to attend any Council meeting.

Until salaries established pursuant to the first ordinance adopted pursuant to the provisions of this Section become effective, the members of the Council, including the Mayor, shall continue to receive the compensation provided under this Section as it read immediately prior to the effective date of this Section as it now reads.

SECTION 408. REIMBURSEMENT.

The members of the Council and the Mayor shall receive reimbursement, if and to the extent such is authorized by the Council, for expenses incurred in the performance of their duties or functions of office.

SECTION 409. WHEN OFFICE BECOMES VACANT.

The office of a member of the Council or of the Mayor becomes vacant on the happening of any of the following events before the expiration of such officer's term:

- (a) The death of the incumbent;
- (b) Insanity of the incumbent, when determined by a final judgment or final order of a court of competent jurisdiction;
- (c) Resignation of the incumbent;

(d) The incumbent ceases to satisfy any requirements for retention of his office which are set forth elsewhere in this Charter;

(e) Removal of the incumbent from office;

(f) Absence of the incumbent from the State of California for more than sixty (60) days, unless either upon business of the City or with the consent of the Council. In the case of illness or other urgent necessity, and upon a proper showing thereof, the time limited for absence from the State shall be extended by the Council;

(g) The incumbent ceases to discharge the duties of his office for a period of three (3) consecutive months except when prevented by sickness or when absent from the State with permission required by this Charter;

(h) The incumbent being convicted of a felony or of any offense involving a violation of his official duties;

(i) The refusal or neglect of the incumbent to file his official oath or bond, if such is required by law, within the time prescribed by law;

(j) The decision of a competent tribunal declaring void the incumbent's election or appointment;

(k) The making of an order vacating the incumbent's office or declaring his office vacant when he fails to furnish an additional or supplemental bond if such is required of him by law;

(l) The commitment of the incumbent to a hospital or sanitarium by a court of competent jurisdiction, as a drug addict, dipsomaniac, inebriate, or stimulant addict; but in such event the office shall not be deemed vacant until the order of commitment has become final;

(m) The incumbent's absence from five (5) consecutive regular meetings of the Council, unless excused by written resolution of the Council. No such excuse shall operate retroactively. No resolution shall excuse an incumbent's absence from more than five (5) consecutive regular meetings immediately following the date of adoption of such resolution although additional resolutions may be adopted excusing an incumbent's absence from not more than five (5) additional regular meetings immediately following the date of

each such resolution. For purposes of this subsection, regular meetings from which an incumbent has been absent shall not be deemed consecutive if separated by one or more regular meetings at which such incumbent has been present or his absence from which has been excused by the Council. Also, for purposes of this subsection, "regular meetings" shall not be deemed to mean or include "regular adjourned meetings," "special meetings," or any committee meetings.

Amended at election June 2, 1970

SECTION 410. FILLING OF VACANCIES.

A vacancy in any elective office, from whatever cause arising, shall be filled by the Council, by majority vote of its remaining members, until the last day of December immediately following the next general municipal election; and at such next general municipal election a successor shall be elected for the remainder, if any, of the unexpired term provided, however, that if such vacancy occurs on or after the first day on which nomination papers may be filed for election to the office of member at the next municipal election which is required by the provisions of Section 1600 to be held at the same time that the State-wide Direct Primary Election is held, then the vacancy shall be filled by the Council, by majority vote of its remaining members, for the entire unexpired term. Any member of the Council so appointed shall, as of the date of the member's appointment, be eligible to hold office as provided in Section 404.

If the Council should fail to fill a vacancy by appointment within sixty (60) days after occurrence of such vacancy, it shall forthwith cause an election to be held to fill such vacancy for the unexpired term.

If all the offices of members of the Council and of the Mayor should become vacant and no member of the Council remains to fill any of said vacancies, successors may be appointed pursuant to the general laws of the State of California to fill such vacancies until qualified persons are elected to fill such offices. In such cases the City Clerk, as soon as reasonably possible, shall call and conduct a special municipal election to fill such offices for the remainder, if any, of the unexpired terms.

No person shall be deemed or declared elected to the office of Mayor or to any seat on the Council at any hereinabove or hereinafter mentioned municipal election unless the person

receives a majority of the votes cast for such office. Ties at any election shall be decided by lot during open meeting of the Council, under the direction of the Council.

SECTION 411. INTERFERENCE WITH ADMINISTRATIVE MATTERS.

Neither the Council nor any of its members nor the Mayor shall interfere with the execution by the City Manager of his powers and duties, nor in any manner dictate the appointment or removal of any City officers or employees whom the City Manager is empowered to appoint, but the Council may express its views and fully and freely discuss with the City Manager anything pertaining to the appointment and removal of such officers and employees.

Except for the purpose of inquiries and investigations under Section 416, the Council, its members and the Mayor shall deal with City officers and employees who are subject to the direction and supervision of the City Manager, The City Attorney, City Auditor or City Clerk, solely through the City Manager, City Attorney, City Auditor, or City Clerk, respectively, and neither the Council nor its members nor the Mayor shall give orders to any subordinate officer or employee, either publicly or privately.

SECTION 412. MEETINGS OF THE COUNCIL.

The Council shall provide, by ordinance or resolution, not inconsistent with other provisions of this Section, for the time, place, and manner of holding its meetings. Copies of such ordinances or resolutions shall be kept on file in the office of the City Clerk where they shall be available for public inspection. To the extent that they are not inconsistent with other sections of this Charter, the provisions of Chapter 9 of Part I of Division 2 of Title 5 of the Government Code, as they now exist or may hereafter be amended, insofar as they relate to the right of the public to attend meetings of the Council, the adjournment of regular or adjourned regular meetings, the calling of special meetings and the holding of executive sessions, shall govern meetings of the Council. No business shall be considered at any special meeting other than such as is specified in the notice of such meeting.

SECTION 413. CITIZEN PARTICIPATION.

Within the established rules for the conduct of its official proceedings, no person shall be denied the right personally, or through authorized representatives, to present grievances or offer suggestions for the betterment of municipal affairs at any regular meeting of the Council.

SECTION 414. QUORUM

Except as otherwise specifically provided elsewhere in this Charter, a majority of the entire membership of the Council shall be necessary to constitute a quorum to do business, but a lesser number may adjourn from time to time.

SECTION 415. RULES AND PROCEDURE.

The Council shall establish rules for the conduct of its proceedings, and to preserve order at its meetings. It shall cause a record of its meetings to be maintained and this record shall be open to public inspection.

SECTION 416. INVESTIGATIONS.

The Council may make investigations into the affairs of the City and the conduct of any City department, office, or agency, and for this purpose may subpoena witnesses, administer oaths, take testimony, and require the production of evidence. Disobedience of any subpoena or the refusal to testify upon other than constitutional grounds shall be punishable by contempt proceedings.

ARTICLE V THE MAYOR

SECTION 500. ELECTION AND TERM.

There shall be a Mayor of the City of San Jose. Except as otherwise provided elsewhere in the Charter, the Mayor shall be elected by a majority of the votes cast at a general municipal election from the City at large, for a term of four (4) years from and after the first day of January following the year of the election. Any incumbent member of the Council may run for the seat of Mayor, and the Mayor may run for the seat of Mayor or for any other seat on the Council for which the Mayor is otherwise eligible; however, no member of the Council shall hold more than one seat thereof, and no person may be a candidate for more than one seat.

No person who has been elected to the office of Mayor for two (2) successive four-year terms, before or after the effective date of this Section, shall be eligible to run for election to the office of Mayor, nor to serve as such, for any additional successive term; but the above shall not disqualify any person from running for election to the office of Mayor, nor from further service as Mayor, for any term or terms which are not successive, nor for any parts of terms which are not successive.

The effective date of this Section shall be deemed to mean the date this Section as it now reads becomes effective.

Amended at election November 7, 1978

SECTION 501. POLITICAL POSITION.

It is the intent of this Article that the Mayor shall be the political leader within the community by providing guidance and leadership to the Council, by expressing and explaining to the community the City's policies and programs and by assisting the Council in the informed, vigorous and effective exercise of its powers. Political leadership shall be concerned with the general development of the community and the general level of City services and activity programs.

SECTION 502. POWERS AND DUTIES.

The Mayor shall have the following powers and duties:

(a) The Mayor shall have the power to make recommendations to the Council on matters of policy and program which require Council decision; provided, that if he recommends any increases in the City budget, he shall recommend the method of financing such expenditures; and provided, further, that if he proposes curtailment of service, such recommendations and his reasons therefor shall be specific. He may also, on his own account, inform the community on matters of policy or program which he believes the welfare of the community makes necessary;

(b) The Mayor shall preside at meetings of the Council and shall have a vote as a member of the Council. He shall have no veto powers;

(c) The Mayor shall have authority to preserve order at all Council meetings, to remove or cause the removal of any person from any meeting of the Council for disorderly con-

There shall be, and there is hereby established, a Civil Service Commission. The following provisions shall be applicable thereto:

(a) MEMBERSHIP. The Civil Service Commission shall consist of five (5) members appointed by the Council for terms of six (6) years. Members must be qualified electors of the City at all times during their terms of office; not more than four (4) shall be of the same sex; and one (1) shall be an attorney-at-law, licensed to practice law in the State of California, who shall have practiced law in said State for at least five (5) years.

(b) TERMS OF OFFICE. Those persons who on the effective date of this Charter are members of the Civil Service Commission established under the immediately preceding Charter shall be members of this Civil Service Commission and, subject to other provisions of this Charter, shall hold such offices until the expiration of the terms for which they were appointed, to wit: The one (1) member whose term under the preceding Charter would expire at noon on December 1, 1965 shall continue in office until noon, December 1, 1965; the two (2) members whose terms under the preceding Charter would expire at noon on December 1, 1967 shall continue in office until noon, December 1, 1967; and the two (2) members whose terms under the preceding Charter would expire at noon on December 1, 1969 shall continue in office until noon December 1, 1969. At the first meeting of the

Council on or after December first of each odd-numbered year, beginning in 1965, the Council shall alternately appoint one (1), two (2) and two (2) commissioners for six-(6)-year terms commencing at noon of December first of such year, to fill the offices of those members whose terms expire at noon of December 1 of such year.

The person who is appointed to fill the one (1) office of the member whose term expires at noon December 1, 1965, and each person who is thereafter appointed to fill such one (1) office whenever it becomes vacant, regardless of whether it becomes vacant during or at the end of an incumbent's term of office, shall be appointed by the Council from a list of three (3) persons to be nominated in each case by all full-time officers and employees in the Civil Service of the City (other than members of the Council and members of boards and commissions) at elections to be held for such purpose. Only full-time officers and employees shall be eligible to vote at such elections, and no officer or employee shall be permitted to vote for more than one person at any one election. The names of three (3) persons receiving the highest number of votes at any such election shall be referred to the Council, and the Council, without consideration of the number of votes received by each, shall appoint to such office the one of the three whom it believes is best qualified for such office. Said nomination elections shall be conducted by the City Clerk in accordance with an election procedure prepared by the City Clerk and approved by the Council.

(c) VACANCIES. The office of a member shall become vacant upon the happening before the expiration of his term of any of the events set forth in sub-sections (a), (b), (c), (d), (e), (g), (h), (i), (j), (k), and (l) of Section 409 of this Charter, or upon such member's absence from five (5) consecutive regular meetings, other than adjourned regular meetings, of the Commission unless excused by resolution of Council. Also, the Council may remove a member from office at any time for misconduct, inefficiency or willful neglect in the performance of the duties of his office providing it first states in writing the reasons for such removal and gives such member an opportunity to be heard before the Council in his own defense. If a vacancy occurs before the expiration of a member's term, the Council shall appoint a qualified person to fill such vacancy for the remainder of the unexpired term of such member.

(d) OATH AND DECLARATION. The members of the Civil Service Commission, in addition to the oath of office required by law, shall make under oath and file in the office

of the City Clerk the following declaration: "I am opposed to appointment to public service as a reward for political activity and will execute and perform the powers and duties of the office of Civil Service Commissioner in the spirit of this declaration."

(e) SECRETARY. The Council shall provide the Commission with a secretary satisfactory to the Commission; provided, however, that the head of any personnel department of the City shall not hold any secretarial, executive or administrative position under the direct jurisdiction of the Civil Service Commission.

(2) To make any investigation which it may consider desirable concerning the administration of personnel in the Classified Service;

(3) To make recommendations to the Council, the City Manager or to any other appointive power on matters relating to the administration of personnel in the Classified Service;

(4) To exercise and perform such other powers and duties as are expressly given to it by other provisions of this Charter; and to exercise such other powers and perform such other functions and duties as may be prescribed by the Council not inconsistent with the provisions of this Charter.

SECTION 1001.1 COUNCIL SALARY SETTING COMMISSION.

There shall be, and there is hereby established, a Council Salary Setting Commission. The following provisions shall be applicable thereto:

(a) Membership. The Council Salary Setting Commission shall consist of five (5) members appointed by the Civil Service Commission. Members must be qualified electors of the City at all times during their term of office.

(b) Terms of Office. Except as provided hereinbelow, the regular term of office of each member of the Council Salary Setting Commission shall be four (4) years. The initial members of the Council Salary Setting Commission shall be appointed by the Civil Service Commission during the month of January, 1981. Two (2) of the members so appointed shall be appointed for a term expiring on December 31, 1982; and three (3) of the members so appointed shall be appointed for a term expiring on December 31, 1984. Commencing in December of 1982, the Civil Service Commission shall, during the month of December of each even-numbered year, make appointments to fill the offices of the members whose terms are expiring at the end of such even-numbered year. Such appointments shall be for regular terms of four (4) years commencing on the first day of January of the following odd-numbered year and expiring on the 31st day of December of the second even-numbered year thereafter.

(c) Vacancies. The office of a member shall become vacant upon the happening before the expiration of his term of any of the events set forth in subsections (a), (b), (c), (d), (e), (h), (i), (j), (k), and (l) of Section 409 of this Charter. Also, the Civil Service Commission may remove a member from office at any time for misconduct, inefficiency or willful neglect in the performance of the duties of his office providing it first states in writing the reasons for such removal and gives such member an opportunity to be heard before the Civil Service Commission in his own defense. If a vacancy occurs before the expiration of a member's term, the Civil Service Commission shall appoint a qualified person to fill such vacancy for the remainder of the unexpired term of such member.

(d) Powers and Duties. The Council Salary Setting Commission shall biennially make recommendations respecting salaries for members of the Council, including the Mayor, as provided in Section 407 of this Charter.

Added at election November 4, 1980

SECTION 1002. OTHER BOARDS AND COMMISSIONS.

In addition to those specific boards and commissions which are established by other provisions of this Article, the Council may create such other boards and commissions as in its judgment are required, and may grant them such functions, powers and duties as are consistent with the provisions of

this Charter. In addition, the Council may create such temporary committees as it may deem advisable to render counsel and advice to the Council, the City Manager or any board or commission on any specified matter within the jurisdiction of such authorities. All boards, commissions and committees created by the Council shall be subject to such direction and supervision, if any, as the Council may specify, and the members thereof shall be appointed by the Council, or by the Mayor if such is authorized by the Council, for such terms as the Council may deem advisable.

SECTION 1003. REIMBURSEMENT FOR EXPENSES.

Members of boards, commissions and committees shall receive reimbursement, if and to the extent such is authorized by the Council, for expenses incurred in the performance of their duties or functions of office.

ARTICLE XI CIVIL SERVICE SYSTEM

SECTION 1100. MERIT PRINCIPLE.

All appointments and promotions to positions in the Classified Service shall be made on the basis of merit and fitness, demonstrated by examination and other evidence of competence, in accordance with Civil Service Rules adopted in the manner provided in this Charter.

SECTION 1101. CLASSIFIED AND UNCLASSIFIED SERVICE.

The Civil Service of the City shall be divided into the Classified Service and the Unclassified Service, as follows:

(a) The Unclassified Service shall comprise and include all of the following officers and employees:

- (1) The Mayor and the members of the Council;
- (2) All members of boards and commissions, and if so desired by the Civil Service Commission, the Secretary of the Civil Service Commission;
- (3) The City Manager and all his assistants, deputies and secretaries; the City Attorney and one assistant; the City Clerk and one assistant; the City Auditor and one assistant; the head of each department and one assistant in each department;

(4) Persons temporarily employed to make or conduct a special inquiry, investigation, examination or installation, or to render professional, scientific or technical services of an occasional or exceptional character; provided that no person employed in the Unclassified Service pursuant to this sub-section for any such purpose shall continue in such employment pursuant to this sub-section for a period in excess of six (6) months for each special inquiry, investigation, examination, installation or particular service unless an extension is approved by the Civil Service Commission;

(5) Persons employed in the event of an emergency to perform services required because of and during such emergency for a period of time not to exceed six (6) months unless an extension is approved by the Civil Service Commission;

(6) Persons employed to temporarily fill positions in the classified service when no eligible lists of applicants for such positions exist, until such time as eligible lists are created and persons can be hired therefrom to fill such positions;

(7) Volunteer members of the police, fire or civil defense departments or of any police, fire or civil defense force or organization.

(b) The Classified Service shall consist of all persons employed in positions in the City Civil Service which are not in the Unclassified Service;

(c) Nothing herein shall be construed as precluding the appointing authority from filling any position in the manner in which positions in the Classified Service are filled.

SECTION 1102. CIVIL SERVICE RULES; CONTENTS.

The Council shall adopt Civil Service Rules for the Classified Service relating to the following matters: Creation of positions; applications for employment; examinations; eligibility and qualifications; duration of eligible lists; certification of eligible lists; appointments; promotions; demotions; transfers; resignations; layoffs; temporary reductions due to retrenchment or completion of work; performance ratings; factors and weights to be considered in efficiency rating; filling of positions; classification of positions; specifications for positions; separation from service; dismissals; suspensions; disciplinary action; such other things, consistent with this Charter, as the Council may deem proper and necessary.

SECTION 1103. CIVIL SERVICE RULES; MANNER OF ADOPTION.

Civil Service Rules for the Classified Service shall be adopted, and may from time to time be repealed or amended, by ordinance of the Council. Upon adoption, Civil Service Rules shall have the force and effect of law.

The Council may adopt, repeal or amend any Civil Service Rule for the Classified Service, provided it first receives from the Civil Service Commission a report or recommendation with respect to the proposed new Rule, if a new Rule is proposed to be adopted, or with respect to the proposed repeal or amendment of an existing Rule if an existing Rule is proposed to be repealed or amended; provided, however, that if the Civil Service Commission refuses or fails to submit to the Council a report or recommendation on any proposed new Rule, or proposed repeal or amendment of any existing Rule, within ninety (90) days from and after the date the Council requests such a report or recommendation, the Council may adopt such new Rule or repeal or amend such existing Rule, without first receiving a report or recommendation thereon from the Civil Service Commission.

SECTION 1104. DISCIPLINARY ACTION.

No officer or employee of the City holding a regular position in the classified service, other than persons holding such positions by virtue of emergency or provisional appointments, may be suspended without pay, demoted or dismissed from his position in the classified service after satisfactorily serving his probationary period of service in such position, except for cause such as, but not limited to, malfeasance, misconduct, incompetence, insubordination, inefficiency or for failure to satisfactorily perform the duties of his position, to observe applicable rules and regulations, or to cooperate reasonably with his superior or fellow officers or employees.

Any such officer or employee, excepting persons holding such positions by virtue of emergency or provisional appointments, who is suspended without pay, demoted or dismissed from his position in the Classified Service after satisfactorily completing his probationary period of service shall be given, in the manner and within the time specified in the Civil Service Rules, not to exceed seventy-two (72) hours from and after the time of such reduction in pay, suspension, demotion or dismissal, a written notice of his suspension, demotion or dismissal, which said notice shall contain a

statement of the specific reason or reasons for his suspension, demotion or dismissal. Within the time specified in the Civil Service Rules, not to exceed thirty (30) days from and after the date he is given said written statement, said officer or employee may appeal to the Civil Service Commission for a review of said suspension, demotion or dismissal by filing a written notice of appeal with the Secretary of said Commission. Such notice of appeal shall contain such answer as such officer or employee may have to the charges made against him. The Secretary of said Commission shall immediately transmit a copy of said notice of appeal, containing said answer, to the appointing authority.

Within forty-five (45) days from and after the date on which the notice of appeal is filed, or at such other time as may be agreed to by said officer or employee and the Civil Service Commission, a hearing on the appeal, at which shall be reviewed the action of suspension, demotion or dismissal, shall be held by the Commission or by a hearing officer designated, as hereinafter specified, to hear the appeal, as the Commission may determine; provided, however, that if such appeal be to an action of dismissal, the hearing may be held by a hearing officer only with the express consent of the officer or employee. Each hearing officer shall be selected as follows: If the Commission determines that the hearing shall be held by a hearing officer, it shall note such order in its minutes, and the Clerk of the Commission shall forthwith notify the parties of such order; within not less than ten (10) days before the date of hearing, the appellant and the appointing authority, if they are otherwise unable to agree upon the person to act as hearing officer, shall each designate the names of five (5) proposed hearing officers, and from the list thereof names shall be stricken individually in succession by the parties alternately commencing with the appointing authority or his representative, until there remains but one name upon such list; if the Commission approves the person so designated, he shall be appointed by the Commission as the hearing officer to hear the appeal; if the Commission does not approve of such person acting as hearing officer in such appeal, the parties shall propose additional names and alternately strike names from the list or lists thereof as aforesaid, until the Commission shall approve a person so selected, and such person shall be appointed by the Commission as the hearing officer to hear the appeal. Reasonable fees and expenses of such hearing officers shall be paid by the City from moneys appropriated therefor by the Council.

At such hearing both the appellant officer or employee and the authority whose action is being reviewed, and their respective representatives, shall have the right to be heard and to present evidence. If such appeal is heard by a hearing officer, he shall prepare a proposed decision, in such form as may be adopted by the Commission as the decision in the case. A copy of the proposed decision shall be filed by the Commission as a public record, and copies thereof shall be furnished to each party within ten (10) days after the proposed decision is filed with the Commission. Either the Commission or the appellant officer or employee may order a transcript of the hearing to be prepared and such transcript shall be filed with the Commission as a public record. If such transcript be ordered by the appellant officer or employee, he shall pay the cost thereof. If such transcript be ordered by the Commission, the cost thereof shall be paid from moneys appropriated therefor by the Council.

Within a reasonable time after the proposed decision is filed, the Commission shall consider the same.

If the proposed decision is not adopted as recommended by the hearing officer, each party shall be notified of such action and the Commission may decide the case on the record, including the transcript, if any, with or without taking any additional evidence, or may hear the case de novo, or may refer the case to the same or another hearing officer to take additional evidence. If oral evidence in addition to the written record is introduced before the Commission, no member thereof may vote unless he heard such additional oral evidence. If the case is so assigned to a hearing officer, he shall prepare a proposed decision as provided above upon the additional evidence and the transcript, if any, and other papers which are part of the record of the prior hearing. A copy of such proposed decision shall be furnished to each party and filed by the Commission as hereinabove provided. Either the commission or the appellant officer or employee may request a transcript of such additional evidence to be prepared, and such transcript shall be filed with the Commission as a public record. If such transcript be ordered by the appellant officer or employee, he shall pay the cost thereof. If such transcript be ordered by the Commission, the cost thereof shall be paid from moneys appropriated therefor by the Council.

If, after such hearing, the Civil Service Commission concludes that the suspension, demotion or dismissal was without cause, it shall order reinstatement without loss of pay,

and such order shall be binding upon the appointing authority who shall forthwith comply with the same. In the event that the Civil Service Commission, after such hearing, concludes that there was cause for disciplinary action but that the type of penalty was not warranted under the circumstances, it may, in its discretion, order reinstatement with loss or partial loss of pay and such order shall be binding upon the appointing authority, who shall forthwith comply with the same. In the event the Civil Service Commission concludes that the officer or employee is unqualified for or unable for other reasons to satisfactorily perform the duties of his office or position but is qualified for and can perform the duties and functions of a lower position, it may, in its discretion, order demotion and employment of such officer or employee to and in a lower class of position or employment or may order that such person's name be placed on an eligible list for employment in a lower class of position or employment if and when a vacancy occurs therein, and such order shall be binding upon the Director of Personnel and the appointing authority, who shall comply with the same. If, after such hearing, the Civil Service Commission concludes that such suspension, demotion or dismissal was for adequate cause and that the action taken by the appointing authority was warranted, it shall affirm the action of the appointing authority.

Except when the proposed decision is adopted in its entirety, the Commission shall decide no case provided for in this section without affording the parties an opportunity to present oral and written argument before the Commission.

In arriving at a decision or a proposed decision in any case provided for in this section, the Commission or the hearing officer may consider any prior discipline imposed upon the appellant.

The decision of the Commission shall be in writing and shall contain findings of fact and the disciplinary action, if any. The findings may be stated in the language of the pleadings or by reference thereto. Copies of the decision shall be delivered to the parties personally or sent to them or either of them by certified mail.

Subject to such reasonable limitations and restrictions as may be set forth in the Civil Service Rules, the Civil Service Commission may grant a rehearing if good cause is shown therefor.

Amended at election November 7, 1972

SECTION 1105. APPOINTMENTS FROM CLASSIFIED SERVICE TO UNCLASSIFIED SERVICE.

In the event an officer or employee of the City who heretofore held or now holds a position in the Classified Service was thereafter or is hereafter appointed to a position in the Unclassified Service, and should subsequently be removed or resign from the Unclassified Service, he shall have the right, if he has not been guilty of infamous, disgraceful or dishonest conduct, to be employed forthwith in a position consonant with his former classification in the Classified Service without loss of any rights or privileges and upon the same terms and conditions as if he had remained in said classification.

SECTION 1106. EMPLOYEES OF CONSOLIDATED CITIES.

Except as otherwise required by such laws of the State of California as are applicable to charter cities, all officers and employees of any city (hereinafter called "consolidated city") hereafter consolidated with the City of San Jose, who were full-time officers or employees of such consolidated city upon the date of election held in such consolidated city for such consolidation, when such officers or employees would be included in the classified service of the City of San Jose, shall from the effective date of such consolidation be deemed to have their names upon eligible lists for respective types of positions held by them, and to be qualified for appointment to such respective positions.

SECTION 1107. EMPLOYEES OF ANNEXED AGENCIES.

In the event of the annexation of all or a portion of the area of any governmental agency to the City, it shall be discretionary with the Council as to whether all or any of the officers or employees of such agency shall be entitled to have their names placed upon eligible lists for respective types of positions held by them and to be qualified for appointment to such respective positions.

SECTION 1108. MANDATORY SEPARATION FROM SERVICE.

Any member of the Police or Fire Department of the City who is also a member of any Police and/or Fire Department retirement plan or system of the City must be separated from any position in the Police or Fire Department of the City upon his attaining the age of sixty-five (65) years, such separation to be effective no later than the last day of the calendar month within which he attains such age.

Subject to the provisions of other sections of this Charter, the Council may at any time provide for mandatory separation of officers or employees, other than persons holding elective offices, from specified positions in the Civil Service at an earlier age if and when the Council deems such to be for the good of the Civil Service.

Amended at election November 2, 1982

SECTION 1109. EXCLUSIONS AND EXCEPTIONS.

The provisions of this Article shall not be deemed to apply to, nor in any way limit the Council in, the Council's exercise of any of the powers granted to it by the provisions of sub-section (b) of Section 800, or by the provisions of Section 803, of the Charter. All transfers or consolidations of functions, and all contracts, resulting from the exercise by the Council of such powers shall be deemed exempt from the Civil Service provisions of this Charter, and all persons employed or whose services are contracted for, pursuant to any such transfer, consolidation or contract shall be deemed, for Civil Service purposes, to be independent contractors and not officers or employees within the Civil Service of the City, regardless of the extent, if any, of any supervision or control which may be exercised over such persons or their activities by any officer or employee of the City. Also, the Council may at any time, or from time to time, authorize or direct the execution of contracts between the City and any public or private body, entity, firm, organization, association or person, for the conduct or making of any special study, inquiry, investigation or examination, or for the preparing or doing of any special or particular services or work, for or on behalf of the City or any office, department or agency thereof, unless such is prohibited by the provisions of any other Article of this Charter, without complying with the provisions of this

Article: and all persons with whom such contracts are made shall be deemed, for Civil Service purposes, to be independent contractors and not officers or employees within the Civil Service of the City, regardless of the extent, if any, of any supervision or control which may be exercised over such persons or their activities by any officer or employee of the City. In addition, the appointment by the Council of any person to any office, pursuant to authority granted to the Council by this Charter, shall not be subject to the Civil Service provisions of this Charter.

SECTION 1110. EXCEPTIONS: WAR OR NATIONAL EMERGENCY.

Notwithstanding any other provisions of this Charter to the contrary, in time of war or national emergency the Council may provide for the emergency employment of any person to fill any office or position in the City. Such person shall not be subject to the requirements, regulations and qualifications of the personnel, merit or civil service system adopted by the City. An emergency appointee shall not acquire civil service or other permanent status because of the emergency appointment. The Council may, however, provide that an emergency appointee selected from an eligible list who is otherwise eligible for permanent appointment may acquire such rights as are expressly provided for under Civil Service Rules.

SECTION 1111. COMPULSORY ARBITRATION FOR FIRE AND POLICE DEPARTMENT EMPLOYEE DISPUTES.

It is hereby declared to be the policy of the City of San Jose that strikes by firefighting and peace officers are not in the public interest and should be prohibited, and that a method should be adopted for peacefully and equitably resolving disputes that might otherwise lead to such strikes.

If any firefighter or peace officer employed by the City of San Jose willfully engages in a strike against the City, said employee shall be dismissed from his or her employment and may not be reinstated or returned to City employment except as a new employee. No officer, board, council or commission shall have the power to grant amnesty to any employee charged with engaging in a strike against the City.

The City, through its duly authorized representatives, shall negotiate in good faith with the recognized fire and police department employee organizations on all matters relating to the wages, hours, and other terms and conditions of City employment, including the establishment of procedures for the

resolution of grievances submitted by either employee or organization over the interpretation or application of any negotiated agreement including a provision for binding arbitration of those grievances. Unless and until agreement is reached through negotiations between the City and the recognized employee organization for the fire or police department or a determination is made through the arbitration procedure hereinafter provided, no existing benefit or condition of employment for the members of the fire department or police department bargaining unit shall be eliminated or changed.

All disputes or controversies pertaining to wages, hours, or terms and conditions of employment which remain unresolved after good faith negotiations between the City and either the fire or police department employee organization shall be submitted to a three-member Board of Arbitrators upon the declaration of an impasse by the City or by the recognized employee organization involved in the dispute.

Representatives designated by the City and representatives of the recognized employee organization involved in the dispute, controversy or grievance shall each select one arbitrator to the Board of Arbitrators within three (3) days after either party has notified the other, in writing, that it desires to proceed to arbitration. The third member of the Arbitration Board shall be selected by agreement between the two arbitrators selected by the City and the employee organization, and shall serve as the neutral arbitrator and Chairman of the Board. In the event that the arbitrators selected by the City and the employee organization cannot agree upon the selection of the third arbitrator within ten (10) days from the date that either party has notified the other that it has declared an impasse, then either party may request the State of California Conciliation Service to provide a list of seven (7) persons who are qualified and experienced as labor arbitrators. If the arbitrators selected by the City and the employee organization cannot agree within three (3) days after receipt of such list on one of seven (7) to act as the third arbitrator, they shall alternatively strike names from the list of nominees until only one name remains and that person shall then become the third arbitrator and chairman of the Arbitration Board.

Any arbitration convened pursuant to this section shall be conducted in conformance with, subject, and governed by Title 9 of Part 3 of the California Code of Civil Procedure.

At the conclusion of the arbitration hearings, the Arbitration Board shall direct each of the parties to submit, within such time limit as the Board may establish, a last offer of settlement on each of the issues in dispute. The Arbitration Board shall decide each issue by majority vote by selecting whichever last offer of settlement on that issue it finds most nearly conforms with those factors traditionally taken into consideration in the determination of wages, hours, and other terms and conditions of public and private employment, including, but not limited to, changes in the average consumer price index for goods and services, the wages, hours, and other terms and conditions of employment of other employees performing similar services, and the financial condition of the City and its ability to meet the cost of the award.

After reaching a decision, the Arbitration Board shall mail or otherwise deliver a true copy of its decision to the parties. The decision of the Arbitration Board shall not be publicly disclosed and shall not be binding until ten (10) days after it is delivered to the parties. During that ten-day period the parties may meet privately, attempt to resolve their differences, and by mutual agreement amend or modify any of the decisions of the Arbitration Board. At the conclusion of the ten-day period, which may be extended by mutual agreement between the parties, the decision of the Arbitration Board together with any amendments or modifications agreed to by the parties shall be publicly disclosed and shall be binding upon the parties. The City and the recognized employee organization shall take whatever action is necessary to carry out and effectuate the award.

The expenses of any arbitration convened pursuant to this section, including the fee for the services of the Chairman of the Arbitration Board, shall be borne equally by the parties. All other expenses which the parties may incur individually are to be borne by the party incurring such expenses.

ARTICLE XII FISCAL ADMINISTRATION

SECTION 1200. FISCAL YEAR.

Unless otherwise provided by ordinance, the fiscal year of the City shall begin on the first day of July of each year and end on the 30th day of June of the following year.

SECTION 1201. USE OF COUNTY TAX SYSTEM.

Unless otherwise provided by or pursuant to ordinance adopted or approved by the qualified electors of the City, the Council shall continue to use for the purpose of municipal ad valorem property taxation the Santa Clara County system of property assessment and property tax collection as said system is now provided by law or may hereafter be amended and insofar as such provision is not in conflict with this Charter.

Should there arise any reason whatsoever that prevents the City from using said County system for said purpose or if the use of the County system should be discontinued by or pursuant to ordinance adopted or approved by the qualified electors of the City, the Council shall provide a system for the assessment of property and the collection of property taxes in the City.

SECTION 1202. SUBMISSION OF CAPITAL IMPROVEMENT PROGRAM; CONTENTS.

After the commencement of each fiscal year, but prior to the one hundred fiftieth (150th) day immediately preceding the end of such fiscal year, the City Manager shall prepare and shall submit to the Council a capital improvement program for the five (5) fiscal years immediately following the fiscal year within which such program is submitted to the Council. On or before the day that he submits such program to the Council, the City Manager shall also file a copy of the program with the Planning Commission of the City. Such capital program shall include:

(a) A clear summary of its contents;

(b) A list of all capital improvements which are proposed to be undertaken during the five fiscal years immediately following the ensuing fiscal year with appropriate supporting information as to the necessity of such improvements;

(c) Cost estimates, method of financing and recommended time schedules for each such improvement; and

(d) Such other information as the City Manager may deem desirable.

SECTION 1203. ACTION ON CAPITAL PROGRAM.

Upon receipt of the copy of the capital improvement program prepared by the City Manager, the Planning Commission shall consider the program and, within ninety (90) days from and after the date a copy of such program was filed with the Commission, shall submit to the Council a written report setting forth its findings and recommendations respecting such program. The Planning Commission, in its report may recommend such additions, deletions or other amendments as it deems desirable. If it should recommend any capital improvements different from or additional to those proposed by the City Manager, it shall set forth, in its report, the estimated cost thereof and the manner in which it proposes that the same shall be financed.

Upon receipt of said report from the Planning Commission, or upon expiration of said ninety (90) days if said Commission should fail to submit its report within said time, the Council shall fix a time and place for a public hearing on the capital program as submitted by the City Manager and upon such amendments or changes, if any, as shall have been submitted as aforesaid by the Planning Commission within said ninety (90) days. The Council shall cause a notice of such public hearing to be published not less than ten (10) days prior to said hearing by at least one insertion in a newspaper of general circulation in the City. Copies of the capital program as submitted by the City Manager, and copies of such report as may have been submitted by the Commission, shall be filed and available for inspection by the public in the office of the City Clerk for at least ten (10) days prior to said public hearing. The notice of such public hearing shall state the time and place of hearing and the times and place when and where copies of the capital program as submitted by the City Manager and the report of the Planning Commission will be available for inspection by the public. At the time and place so advertised or at any time or place to which such public hearing shall from time to time be adjourned, the Council shall hold a public hearing on the capital program as submitted by the City Manager, and on the written report of the Planning Commission, at which interested persons desiring to be heard shall be given reasonable opportunity to be heard.

Upon conclusion of such hearing, the Council shall adopt such a capital program, for the five (5) fiscal years covered by the City Manager's proposed capital program with such amendments as it may deem desirable. Upon its adoption and until adoption of a new budget and a new five-(5)-year

capital program, such capital program, as adopted by the Council, shall serve as a general guide to the Council and to the City administration in the planning and scheduling of capital improvements. From time to time, however, the Council may authorize such departures therefrom as it may deem necessary or desirable.

SECTION 1204. SUBMISSION OF BUDGET AND BUDGET MESSAGE.

At least thirty (30) days prior to the beginning of each fiscal year or at such earlier time prior to the beginning of each fiscal year that the Council may specify, the City Manager shall submit to the Council each of the following:

- (a) A budget for the ensuing fiscal year;
- (b) An accompanying message.

SECTION 1205. BUDGET, CONTENTS.

The budget shall provide a complete financial plan of all City funds and activities for the ensuing fiscal year and, except as required by law or this Charter, shall be in such form as the Council may require or, in the absence of Council requirements, in such form as the City Manager deems desirable. It shall begin with a clear general summary of its contents; shall show in detail all estimated income, including the amount proposed to be raised by property taxation, estimated unencumbered balances of funds to be carried over from the preceding year, estimated unencumbered available reserves, and all proposed expenditures, including debt service, for the ensuing year. The total of proposed expenditures shall not exceed the total of estimated income, estimated unencumbered balances of funds to be carried over from the preceding year and unencumbered available reserves.

SECTION 1206. COUNCIL ACTION ON BUDGET.

Upon receipt of the proposed budget from the City Manager, the Council shall proceed to consider the same and may make such revisions and changes as it may deem advisable; but it shall not adopt such budget, either as proposed by the Manager or as revised or changed by the Council, until after it shall have held a public hearing in accordance with the following provisions of this Section.

The Council shall fix a time and place for a public hearing on the budget, and shall cause a notice of such public hearing to be published not less than ten (10) days prior to said hearing by at least one insertion in a newspaper of general circulation within the City. Copies of the proposed budget as submitted by the City Manager shall be filed and available for inspection by the public in the office of the City Clerk for at least ten (10) days prior to said hearing. Statements, or copies, of such revisions or changes as the Council shall have made in the proposed budget prior to said public hearing shall be available for public inspection at the public hearing. The notice of said public hearing shall state the time and place of public hearing and the times and place where copies of the budget as submitted by the City Manager will be available for public inspection, and shall further state that statements, or copies, of such revisions or changes as the Council shall have made in the proposed budget before the public hearing will be available for public inspection at the time and place of said public hearing.

At the time and place advertised for said public hearing or at any time or place to which said public hearing shall from time to time be adjourned, the Council shall hold a public hearing on the proposed budget, and upon such revisions or changes as may have been made by the Council, at which interested persons desiring to be heard shall be given reasonable opportunity to be heard. Upon conclusion of such public hearing, the Council may adopt the proposed budget with such amendments, if any, as it may deem desirable. Such amendments may add or increase programs or amounts or may delete or decrease any programs or amounts except expenditures required by law or for debt service, provided that no amendment to the budget shall increase proposed expenditures to an amount greater than the total estimated income plus unencumbered available reserves and estimated unencumbered balances of funds carried over from the preceding fiscal year.

SECTION 1207. APPROPRIATIONS.

After adoption of the budget and on or prior to the beginning of the budget year, the Council, by ordinance, shall appropriate monies for the operation of each of the offices, departments and agencies of the City during the budget year and for other purposes or objects named in the budget. Appropriations may be made for various classes or categories of expenditures, if the Council deems such to be desirable, without separately appropriating specific amounts of money

for each of the items of expenditure within any class or category. Each department, officer or agency to or for which an appropriation has thus been made shall be deemed authorized to use the money so appropriated, subject to the supervision and direction of the City Manager and subject to such other restrictions as are elsewhere set forth in this Charter or are imposed by the Council, for the classes or categories of expenditures specified in the appropriation ordinance, provided its expenditures are within the bounds of the appropriation. Appropriations for bond interest, bond redemption, fixed charges and other classes or categories of expenditures not appropriated to a specific department, office or agency shall be subject to the administration of and expenditure by the City Manager for the respective classes or categories of expenditures for which such appropriations are made.

Appropriation ordinances adopted pursuant to the provisions of this Section need not be first passed for publication, nor be published, and shall be effective immediately upon adoption.

In the event the Council should fail to adopt such ordinance within the prescribed time, the several amounts proposed as expenditures in the budget adopted by the Council, or if the Council has not yet adopted a budget, the several amounts proposed as expenditures in the budget as prepared and submitted by the City Manager to the Council, for the classes or categories of expenditures therein mentioned, so far as they relate to operation and maintenance expenditures, shall be deemed appropriated for such classes or categories of expenditures until the Council adopts said appropriation ordinance for the current budget year.

SECTION 1208. APPROPRIATIONS; CHANGES.

Appropriations may be amended, revised or supplemented as follows:

(a) SUPPLEMENTAL APPROPRIATIONS. If during the budget year the City Manager certifies or the Council finds that there are available for appropriation revenues in excess of those estimated in the budget, the Council by ordinance may make supplemental appropriations for the year up to the amount of such excess.

(b) EMERGENCY APPROPRIATIONS. To meet a public emergency affecting life, health, property or the public peace the Council may make emergency appropriations. Such appropriations may be made by emergency ordinance in accordance with the provisions of sub-section (e) of Section 605 of this Charter.

(c) REDUCTION OF APPROPRIATIONS. If at any time during the budget year it appears probable to the City Manager that the revenues available will be insufficient to meet the amounts appropriated, he shall report to the Council without delay, indicating the estimated amount of the deficit, any remedial action taken by him, and his recommendations as to any other steps to be taken. The Council shall then take such further action as it deems necessary to prevent or minimize any deficit, and for that purpose it may by ordinance or resolution reduce one or more appropriations.

Also, at any time during the budget year, the Council may repeal or reduce, for any other reason, by ordinance or resolution, any appropriation theretofore made; and, at any time during the budget year, may reappropriate by ordinance all or part of the amount of such reduction for the same or any other class or category of expenditure.

(d) TRANSFER OF APPROPRIATIONS BY COUNCIL. At any time during the budget year, the Council may, by ordinance or resolution, transfer part or all of any unencumbered balance of any appropriation from any department, office or agency to another or from any class or category of expenditure to another class or category of expenditure.

Ordinances or resolutions adopted by the Council pursuant to the provisions of this Section shall be effective immediately upon adoption.

SECTION 1209. LAPSE OF APPROPRIATIONS.

Except as otherwise provided elsewhere in this Charter, every appropriation shall lapse at the close of the fiscal year to the extent that they shall not have been expended or encumbered.

SECTION 1210. CONTROL OF EXPENDITURES BY CITY MANAGER.

The several items of expenditure appropriated each fiscal year being based on estimated receipts, income or revenues which may not be fully realized, it shall be incumbent upon the City Manager to establish a schedule of allotments,

monthly or quarterly or as he may otherwise determine, under which the sums appropriated to the several departments, offices and agencies shall be expended. The City Manager shall revise revenue estimates from time to time, and may revise allotments at any time.

No officer, department or agency of the City, during any budget year, shall expend or incur any obligation to expend money for any class or category of expenditure not authorized by or in excess of the amounts appropriated by the Council, or in excess of any allotments made by the City Manager.

SECTION 1211. FUNDS; GENERAL FUND.

All monies paid into the City Treasury shall be credited to and kept in separate funds in accordance with provisions of this Charter or ordinance. A fund, to be known as the "General Fund," is hereby created as a medium of control and accounting for all City activities excepting activities for which special funds are established and maintained. All revenues and receipts which are not required by this Charter, State law or ordinances to be placed in special funds shall be credited to the General Fund.

SECTION 1212. CASH RESERVE FUND.

A revolving fund, to be known as the "Cash Reserve Fund," is hereby created for the payment of any authorized expenditures of the City for any fiscal year in anticipation of and before the collection of taxes and other revenues of the City for such fiscal year, and for the payment of authorized expenses of the City for any fiscal year which became due and payable and must be paid prior to the receipt of tax payments and other revenues for such fiscal year. A reserve shall be built up in said fund from any available sources other than restricted sources in an amount which the Council deems sufficient for said purposes. If necessary, money may be borrowed on tax anticipation notes, subject and pursuant to State law, for the purpose of establishing and maintaining said funds until monies from other available sources are adequate for such purpose. Transfers may be made by the Council from such fund to any other fund or funds of such sum or sums of money that may be required to place or keep such other fund or funds on a cash basis. All monies so transferred from the Cash Reserve Fund to any other fund or funds shall be returned to the Cash Reserve Fund before the end of the fiscal year. The balance in said fund at the end of any fiscal year shall be carried forward in said fund:

provided, however, that, to the extent that the amount of money in such fund should exceed such amount as the Council deems desirable for purposes of such fund, the Council may transfer such excess to any other fund or funds for any other purpose or purposes.

SECTION 1213. EMERGENCY RESERVE FUND.

A fund, to be known as the "Emergency Reserve Fund," is hereby created for the purpose of meeting any public emergency involving or threatening the lives, property or welfare of the people of the City or property of the City. A reserve shall be built up in said fund from any available sources, other than restricted sources, in an amount which the Council deems desirable. Except as otherwise herein-after provided, money in said fund shall be expended pursuant to appropriations made therefrom by ordinance.

In case of a public emergency involving or threatening the lives, property or welfare of the people of the City or the property of the City, the City Manager shall have the power, until the next meeting of the Council, subject to the availability of funds therefor and, subject to such conditions, restrictions and limitations as the Council may impose, to summon, organize and direct the forces of any department of the City in any needed service, to summon, marshal, deputize or otherwise employ other persons, or to do whatever else he may deem necessary for the purpose of meeting the emergency; and for such purpose, to the extent that other monies have not been appropriated or are otherwise unavailable therefor, he may expend any unencumbered monies in the Emergency Reserve Fund notwithstanding the fact that such monies may not have been appropriated for such purpose. At the first meeting of the Council following any such action, the City Manager shall present to the Council a full report of what he has done to meet the emergency.

SECTION 1214. OTHER FUNDS.

The Council may provide, by ordinance, for the establishment and maintenance of other special funds.

SECTION 1215. INDEPENDENT AUDIT.

The Council shall employ at the beginning of each fiscal year a certified public accountant who shall audit the municipal books, records, accounts and fiscal procedures of all officers and employees of the City who receive, administer or disburse public funds on behalf of the City, and such

other officers, employees, departments and agencies as the Council may direct. The Council may order a special audit of any particular department or division of the City government at any time. Such accountant shall at all times abide by the current and most accepted standards of municipal accounting. As soon as practicable after completion of a special audit, if such an audit should be ordered by the Council, said independent accountant shall submit a special report to the Council setting forth his findings and recommendations with respect to the matters covered by such special audit. Also, as soon as practicable at the end of the fiscal year, a final report shall be submitted by such independent accountant to the Council setting forth his findings and recommendations respecting the records, accounts, and fiscal procedures covered by his general audit. Three (3) copies of each report shall be placed on file in the office of the City Clerk where they shall be available for public inspection.

SECTION 1216. BONDED DEBT LIMIT

The City shall not incur any indebtedness evidenced by general obligation bonds which shall in the aggregate exceed the sum of fifteen percent (15%) of the total assessed valuation of all the real and personal property within the City.

SECTION 1217. BID REQUIREMENTS.

Except as hereinafter otherwise provided, each purchase of supplies and materials and each purchase of equipment, the expenditure for which exceeds the amount which a general law city of the State of California may legally expend for a "public project" (as defined by State law) without a contract let to a lowest responsible bidder after notice, shall be contracted for and let to the lowest responsible bidder after notice; provided and excepting, however, that in no event need any purchase of supplies and materials, or any purchase of equipment, be contracted for or let to a lowest responsible bidder if the expenditure for such supplies and materials, or the expenditure for such equipment, does not exceed Three Thousand Five Hundred Dollars (\$3,500.00).

Except as hereinafter otherwise provided, when the expenditure required for a specific "public works project" (hereinafter defined), excluding the cost of any materials, supplies or equipment which City may have acquired or may separately acquire therefor, exceeds the amount which a

general law city of the State of California may legally expend for a "public project" (as defined by State law) without a contract let to a lowest responsible bidder after notice, it shall be contracted for and let to the lowest responsible bidder after notice; provided and excepting, however, that in no event need a specific "public works project" be contracted for or let to a lowest responsible bidder if the expenditure for such "public works project", excluding the cost of any materials, supplies or equipment which the City may have acquired or may separately acquire therefor, does not exceed Three Thousand Five Hundred Dollars (\$3,500.00).

The notice inviting bids shall set a date for the opening of bids, and shall be published at least once, at least ten (10) days before the date set for opening of bids, in a newspaper of general circulation in the City. All bids, including such bidder's security as may be required, shall be presented under sealed cover. If the successful bidder fails to execute the contract within the time specified in the notice inviting bids or in the specifications referred to therein, the amount of the security required, if any, may be declared forfeited to the City and may be collected and paid into its General Fund, and all bonds so forfeited may be prosecuted and the amount thereof collected and paid into such fund. All bids shall be publicly opened, and the aggregate bid of each bidder declared at a time and place specified in the notice inviting bids. The Council shall have the right to waive any informalities or minor irregularities in bids or bidding.

In its discretion, the Council may reject any or all bids presented. If it rejects all bids, the Council may, in its discretion, readvertise. If two or more bids are the same and the lowest, the Council may accept the one it chooses. If no bids are received, the Council may readvertise, or may acquire the materials, supplies or equipment for which no bids are received, or have the "public works project" for which no bids are received done, without further complying with this Section. If, after rejecting all bids for any supplies, materials or equipment, the Council finds and declares that the bids were excessive, it may have such supplies, materials or equipment purchased at a lower price without further complying with this Section. If, after rejecting all bids for any "public works project" and after readvertising for bids, the Council finds and declares that the bids were excessive, it may have such "public works project" done by City employees without further complying with this Section.

For purposes of this Section, "public works project" shall be deemed to mean and is hereby defined as a project for the construction, erection, improvement or demolition of any public building, street, bridge, drain, ditch, canal, dam, tunnel, sewer, water system, fire alarm system, electrical traffic control system, street lighting system, parking lot, park or playground; provided and excepting that "public works project" shall not be deemed to mean or include the maintenance of any of said things, or any repairs incidental to such maintenance, or the planting, care or maintenance of trees, shrubbery or flowers. Also, the provisions of this Section shall not apply to any of the following: (a) the purchase or acquisition of any supplies, materials or equipment from any public or governmental body or agency or from any public utility which is either publicly owned or is regulated by the Public Utilities Commission of the State of California; (b) the purchase of any supplies, materials, or equipment which can be obtained from only one vendor or manufacturer; (c) any public work done for the City by any public or governmental body or agency; (d) any public work done by any public utility which is either publicly owned or is regulated by the Public Utilities Commission of the State of California where such work involves any property of such public utility or is otherwise of direct concern to both the City and such public utility; (e) any public work done by a subdivider, developer or owner of real property in connection with the subdivision or development by him of any real property, notwithstanding the fact that such may be subject to entire or partial reimbursement from the City; (f) work involving highly technical or professional skill where the peculiar technical or professional skill or ability of the person selected to do such work is an important factor in his selection; (g) expenditures deemed by the Council to be of urgent necessity for the preservation of life, health or property, provided the same are authorized by resolution of the Council adopted by the affirmative vote of at least five (5) members of the Council and containing a declaration of the facts constituting the urgency; and (h) situations where solicitation of bids would for any reason be an idle act.

SECTION 1218. CLAIMS AGAINST CITY.

Except as otherwise required by the provisions of State law applicable to chartered cities, claims against the City shall be presented and audited as prescribed by ordinance.

SECTION 1219. PROPERTY TAX LIMIT.

Except as otherwise provided in this Section, the Council shall not levy an ad valorem property tax for any fiscal year in excess of One and 40/100 Dollars (\$1.40) on each One Hundred Dollars (\$100) of assessed value of taxable property in the City unless authorized by the affirmative votes of a majority of the electors voting on a proposition to increase such levy at any election at which the question of such additional levy is submitted to the electors of the City. The number of years that such additional levy is to be made shall be specified in any such proposition. Notwithstanding the foregoing provisions of this Section, there shall be levied and collected at the same time and in the same manner as other ad valorem property taxes of the City are levied and collected, as additional taxes not subject to the foregoing tax limit, if no other provision for the payment thereof is made, a tax sufficient to meet all obligations of the City for principal and interest on all bonds or judgments due and unpaid or to become due during the fiscal year which constitute general obligations of the City.

SECTION 1220. REVENUE BONDS FOR OFF-STREET PARKING OR AIRPORT FACILITIES.

The Council shall have the power to issue revenue bonds to finance the acquisition, construction, establishment, expansion, improvement, maintenance, operation and administration of off-street vehicular parking facilities within the City (hereinafter in this Section referred to as "the project"). The Council shall also have the power to issue revenue bonds to finance the acquisition, construction, establishment, expansion, improvement, maintenance, operation and administration of municipal airport facilities (hereinafter in this Section also referred to as "the project"). Such revenue bonds may be issued in such manner and upon such terms and conditions as may be fixed and established by ordinance of the Council. In the alternative, the Council may issue such revenue bonds under the general laws of the State of California applicable thereto, provided that no election shall be required for the issuance of such revenue bonds. The authorization granted to the Council by this Section to issue revenue bonds for any of said purposes is complete, and no additional authorization

shall be required for their issuance. Neither such revenue bonds nor the interest accruing thereon shall constitute indebtedness of the City, nor shall be taken into consideration in determining the limit of general obligation bonded indebtedness of the City. Such revenue bonds, the interest accruing thereon and any reserve, sinking fund or special fund created to secure the payment of such bonds shall be a charge solely upon the revenues, or upon such portion thereof as may be fixed by the Council, of the project on account of which such bonds were issued. Such revenue bonds shall not be a charge, lien or encumbrance, legal or equitable, on any funds or property of the City, other than the revenues of the project on account of which they were issued, excepting that on-street parking meter revenues may be pledged as additional security for the payment of revenue bonds issued for any automotive parking facilities pursuant to the Constitution of this State. Neither the credit nor the taxing power of the City shall be deemed to be pledged to or charged with the payment of the principal or interest of any such revenue bonds, nor shall the holders of such revenue bonds have any right to compel the exercise of the taxing power of the City or the forfeiture of any of its properties. The provisions herein contained for the issuance of revenue bonds shall constitute an alternative method of financing said municipal projects.

Nothing contained in this Charter shall preclude the issuance of general obligation bonds of the City for all or any of the above mentioned purposes pursuant to proceedings taken therefor in accordance with the Constitution and General Laws of the State.

SECTION 1221. REVENUE BONDS FOR PUBLIC UTILITIES.

No revenue bonds shall be issued by the City for the purpose of supplying its inhabitants, or any portion thereof, with water, light, heat, power, railroad or motor vehicle transportation service (other than airport service), or telephone, telegraph or wireless communication service unless authorized by the affirmative vote of a majority of the electors voting on such a proposition in each case.

Nothing herein contained, however, shall be deemed to apply to any of the facilities mentioned in Section 1220. Also, nothing herein contained shall be deemed to deprive the City or its Council of any power which it may have under other Sections of this Charter or under the laws of the State to reimburse, or agree to reimburse, in whole or in part, from any special fund or special revenues, without the affirmative vote of any electors, any subdivider, developer or

owner of any real property for any public improvements constructed, installed or furnished by any such person, or for any property dedicated or conveyed to the City by any such person, for or in connection with the subdivision, development or improvement of any real property of any such person.

Also, nothing herein contained shall preclude the issuance of general obligation bonds of the City for any purpose pursuant to proceedings taken therefor in accordance with the Constitution and general laws of the State.

SECTION 1222. REVENUE BONDS FOR OTHER PURPOSES.

Revenue bonds may be issued by the City for any purposes other than those specified in Sections 1220 and 1221 only under and pursuant to the laws of the State of California.

Nothing herein contained, however, shall be deemed to deprive the City or its Council of any power which it may have under other Sections of this Charter or under the laws of the State to reimburse, or agree to reimburse, in whole or in part, from any special fund or special revenues, without the affirmative vote of any electors, any subdivider, developer or owner of any real property for any public improvements constructed, installed or furnished by any such person, or for any property dedicated or conveyed to the City by any such person, for or in connection with the subdivision, development or improvement of any real property of any such person.

Also, nothing herein contained shall preclude the issuance of general obligation bonds of the City for any purpose pursuant to proceedings taken therefor in accordance with the Constitution and general laws of the State.

The Council may prescribe, in any procedural ordinance adopted pursuant to this Section, the terms and conditions under which any franchise or franchises will be granted.

The Council, in granting any franchise, shall prescribe the terms and conditions of such franchise in accordance with the applicable provisions of this Charter and any ordinance adopted pursuant thereto, and may in such franchise impose such other and additional terms and conditions not in conflict with said Charter or ordinances, whether governmental or contractual in character, as in the judgment of the Council are in the public interest or as the people, by initiative, indicate they desire to have so imposed.

SECTION 1303. TERM OF FRANCHISE.

SECTION 1304. PURCHASE OR CONDEMNATION BY CITY.

No franchise grant shall in any way or to any extent impair or affect the right of the City now or hereafter conferred upon it by law to acquire property of the grantee thereof either by purchase or through the exercise of the right of eminent domain, and nothing herein contained shall be construed to contract away or to modify or to abridge either for a term or in perpetuity the City's right of eminent domain with respect to any public utility.

SECTION 1305. EXERCISING RIGHT WITHOUT FRANCHISE.

The exercise by any person, firm or corporation of any privilege for which a franchise is required without procuring such franchise shall be a misdemeanor and each day that such continues shall constitute a separate violation.

However, subject to other provisions of this Article, the Council shall at all times have the power and right to repeal or amend any such retirement system or systems, and to adopt or establish a new or different plan or plans for all or any officers or employees, it being the intent that the foregoing sections of this Article shall prevail over the provisions of this Section.
